MAURIES SUGAR SHOPPE

Caramel Apples! I think I could leave it at that! We have been very busy making caramel apples this year: plain, peanut and pecan covered. Our new employees are getting some great experience with the speed at which we have to make them. Luckily for us, we have an individual who comes in each week, sometimes 2-3 times in a week, to help Keith prep every apple by wiping all of the wax off of them, pulling the stem out and pounding the sticks into them. It is a tedious job and we are grateful for Bryan's help! Plus, we have found that he really likes Leaves 'n Beans coffee!

Speaking of Leaves 'n Beans, we have sold almost 600 apples to them for their three stores: Pekin, Morton and Peoria Heights. We are convinced they had no idea how popular they would be in Pekin....they know now! By providing apples to them, we have doubled the number of apples we have made to date compared to last year. We hope the popularity continues!

Our Second Annual Monster Mash will take place Saturday, October 30th. We will have many special Halloween/Fall treats available. Join us for this fun day, if you are available! Also, keep an eye out for our front window display. EBA is having a pumpkin decorating contest that we are entering! It will definitely be a TREAT to view!
