RECYCLING NEWS

- Good luck Chuck! Chuck Wertz has been a great asset for our ADDWC team for the past couple of years. He drove our morning Bloomington route and pulled recycling trailers throughout the county. Chuck has decided to begin enjoying a happy life of full time retirement, and he is very deserving of happiness! The good news (for us) is that he has agreed to remain PRN and help us if we get in a pinch! Chuck, thank you for being part of the ADDWC family, and thank you for your dedication and the talents you brought to the agency. We'll miss you!
- All of our vocational crew has returned 5 days per week, and a majority of our Life Skills crew have returned full time!

- ADDWC processed 51.49 tons of material in May, which brings our YTD total to 207.46 tons.
- **Reminder;** ADDWC's 7th Annual Going Green Golf Tournament will be held at Metamora Fields on Wednesday, September 29th. To enter a team, make a donation, or to become a sponsor, contact Roger Crow at rcrow@addwc.org or call 309-467-3015 ext. 109

MAURIES SUGAR SHOPPE

With the loosening of pandemic rules, Maurie's has been consistently providing work opportunities to our individuals at the shoppe. We currently have a team that comes in each Monday to clean; a couple that take turns coming in on Tuesdays to air pop all the popcorn we use to make Karamel Korn and Cheese Corn; one who assists in the making of these fun treats; and we are just starting an "apprentice baker" who will assist in making Party Cookies. It is so nice to finally have more of our "family" around the shoppe! In addition to those coming to the shoppe, we have a few learning to place stickers on our bags.

Maurie's is blessed to have a wonderful team who work well together: Christy, Kaitlyn, Kelsey, Katie and Sophia. They each bring unique gifts to the shoppe, enjoy working with the public, creating special gift boxes, and making treats. We are blessed to have such a dedicated, creative team!

Make sure to keep up with us on Facebook at <https://www.facebook.com/mauriessugarshoppe/> for any specials or announcements.
