Adding Value To Our Community

JUNE 2021

CLIENT SPOTLIGHT

Justin Scheirer.

Justin has been attending the day program at ADDWC for almost 8 years and spends most of his days in the Life Skills Department. More recently, he has been going to Mauries on Tuesday mornings to pop popcorn. He can pop over 10 gallons of popcorn in a 2 hour shift! Justin enjoys helping his Dad plant and harvest the fields, spending time in his “man cave” watching T.V, and spending time with his family. Justin plants pumpkins to sell in the fall for Halloween and is very proud of that. Justin is always smiling and happy and his friends and staff at ADDWC enjoy hanging out with him!

LIFE SKILLS HAPPENINGS

Now that it has warmed up, the life skills crew has been trying to spend more time outside. We have planted our gardens, outside art projects, and read books in the fresh air. In June we are planning a “camping week”-doing all the fun camping activities without sleeping on the hard ground! We plan to do camping crafts, make s’mores, sing campfire songs, and play outdoor games. Also new to Life Skills is the addition of Community Service Projects- making and delivering items to various organizations that work with the homeless, elderly, and veterans.

MAURIES SUGAR SHOPPE

Maurie's Sugar Shoppe is proud to announce that we were approved by the state of Illinois for a wholesale license! We are in discussions with a business who would like to carry some of our products in 3-4 of their locations around central Illinois. This is very exciting and will provide more work for our individuals.

Preliminary work studies have been completed so we can start having our individuals put stickers on our popcorn bags, shopping bags and cotton candy bags. This month we hosted a field trip for the individuals in Life Skills. They got to see Bryan and Keith make Karamel Korn and even got to help stir the Karamel in the copper kettle. Afterwards everyone made a gummi-kabob and enjoyed a slushie. Everyone had a lot of fun. We look forward to hosting more of our individuals!

Maurie's would like to thank CEGCYRA for its continued support of our mission by purchasing \$1.50 gift cards to give to their participants! We are so happy to see little ones come in to spend their gift cards. Many Congerville, Eureka and Goodfield youth are seeing the shoppe for the first time and are coming back! Sometime in June we are planning to open on Monday mornings for Maurie's Muffin Mondays, mmm....! Keep watching our Facebook page for more information on this new endeavor as well as other specials we run throughout each week.
